Updated Notice of Intent and Notice of Availability

To whom it may concern,

This letter serves to inform that an updated Notice of Intent and Notice of Availability (NOA/NOI) containing a revised public review period (11/13/2025 through 01/07/2026) is being sent to your Agency to be uploaded to identify the proposed project's extended public review period. This is a result of the NOA/NOI originally including a link to the Desert Region environmental page, instead of the Mountain Region environmental page. There are no changes to the environmental documents. Please upload the NOA/NOI onto your website and if you have any questions, I can be reached directly at 909-387-4422 or via e-mail at elena.barragan@lus.sbcounty.gov

Sincerely,

Elena Barragan
