Reasons why project is exempt: The project is categorically exempt pursuant to CEQA Guidelines Section 15301, Existing Facilities, as the project involves paving an existing taxiway. The project will not result in increased capacity of the existing taxiway and there is negligible or no expansion of use beyond what currently exists. The project is also exempt pursuant to CEQA Guidelines Section 15302, Replacement or Reconstruction as it consists of reconstruction of an existing taxiway that will be located on the same site and will have substantially the same purpose and capacity.
