PUBLIC NOTICE
California Department of Transportation, District 4: Pescadero Minor Realignment Project

NOTICE OF AVAILABILITY of a Draft Initial Study with Proposed Mitigated Negative Declaration/Environmental Assessment (IS/EA) and In-Person Public Meeting

Project Location Map

WHAT'S BEING PLANNED

The California Department of Transportation (Caltrans) proposes to realign a 0.5-mile section of State Route (SR) 1 near Pescadero State Beach by approximately 32 feet to the east, where coastal bluff erosion has damaged the existing roadway. The project area is along SR 1 between Reservoir Road and Pescadero Creek Road in San Mateo County (Post Mile 13.1 to 13.9). The project would include new pavement and striping, relocation and construction of a new unlined drainage ditch, and culvert improvements. Caltrans is the lead agency under the National Environmental Policy Act (NEPA) and California Environmental Quality Act (CEQA).

The project area is not located on a hazardous materials site, as defined by Government Code Section 65962.5 (Cortese List).
