Project Description (Proposed actions, location, and/or consequences).

The proposed project includes the development of a formalized bike park and an improved system of connecting trails throughout the project site, which is the South Hills Wilderness area of Glendora known as South Hills Park. Plans for the proposed project include a bike park core area, downhill bike-only trails, a multidirectional "pedal up" trail, a longer "cross-country" style multiuse and bi-directional trail that is planned to ring the project site, bicycle pump tracks, mountain bike jump trails, trail head improvements, staging and seating areas, a restroom facility, a reggraded access road off of Glendora Avenue, and improved parking areas.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Project would result in significant impacts to Air Quality, Biological Resources, Cultural Resources, Geology and Soils, and Tribal Cultural Resources. See detailed mitigation measures outlined in the public draft Initial Study/MND.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
