

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: Greenbark 30 Battery Energy Storage System

Lead Agency: City of Goleta

Contact Name: Travis Lee

Email: tlee@cityofgoleta.gov Phone Number: 805-562-5528

Project Location: Goleta, Santa Barbara County

City

County

Project Description (Proposed actions, location, and/or consequences).

- 1.Requested change to the parcel's General Plan land use designation and zoning from General Commercial (C-G) to to Office and Institutional (I-OI).
- 2.Approval Major Conditional Use Permit to allow the Major Utilities use (battery storage) as outlined in bullets 3 and 4.
- 3.Placement of 36 Tesla Megapack 2 XL battery units that are 28'-10.5" wide by 5'-5" long 9'-2" tall to provide up to 30 MW of stored power.
- 4.Construction of an 8' tall ornamental no-climb fencing with landscape screening on the north, south, and eastern property lines.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The Draft IS/MND concludes that the Project would have potentially significant, but mitigable, impacts on the environment (Class II) in the areas of: Biological Resources, Cultural Resources, Geology and Soils, Hazards and Hazardous Materials, Hydrology and Water Quality, Transportation, Tribal Cultural Resources, and Wildfire. Proposed mitigation measures include worker environmental awareness training, invasive species control, special status wildlife avoidance, crotch's bumble bee survey, fugitive dust control and stormwater protection, nesting bird avoidance, cultural resources awareness training, inadvertent discovery of historical resources, unique archaeological resources, or tribal cultural resources, treatment of human remains, inadvertent discovery of unique paleontological resources or geological features, hazardous substance control and emergency response, construction traffic control plan, and concurrent construction coordination plan.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Nearby residents concerned with the project

Provide a list of the responsible or trustee agencies for the project.

City of Goleta, Santa Barbara County, Regional Water Quality Control Board (Region 3) and State Water Quality Control Board.
