Notice of Exemption

Name of Project: Wilshire Boulevard and Vicinity Street Rehabilitation Project

Location: City of Beverly Hills – Los Angeles County, Wilshire Blvd between Santa Monica Blvd and Camden Dr; Wilshire Blvd between Rexford Dr and Stanley Dr; San Vicente Blvd (SB) between Clifton Way and Wilshire Blvd; N/S Hamilton Dr from San Vicente Blvd to Gregory Way; N/S Gale Dr from San Vicente Blvd to Gregory Way; Tower Dr from Wilshire Blvd to Gregory Way

Type of Business (if commercial): N/A

Project Description: In general, the project consists general right-of-way rehabilitation and repairs within Beverly Hills, such as asphalt pavement (cold milling and overlay), curb & gutter repairs, curb ramps upgrades to meet the latest ADA requirement, sidewalk replacement, bus pads installation or replacement, catch basins repairs, raised crosswalk installation, traffic signal adjustments, and replacement of pavement striping and markings.

Agency Approving Project: City of Beverly Hills Phone: 310-285-2516

Address: 345 Foothill Road

City: Beverly Hills Zip: 90210

Person or Agency Carrying Out Project (If different):

Agent's Name: Same - City of Beverly Hills Phone

Agent's Address

City Zip

The City Council reviewed the project and concluded that it qualifies for exemption under the State CEQA Guidelines and no further environmental assessment is necessary.

Applicable Exemption Class: CEQA Guidelines Sections 15301 Existing Facilities (c)

Comments:
The project will perform improvements and maintenance of existing streets, including replacement of curb ramps to current standards, curb and gutter repairs, pavement spot repairs, bus pad repairs and installations, minor traffic signal adjustments, and arterial and local street cold milling and asphalt overlay. These changes will not significantly alter the use of the streets or create additional automobile lanes.
