Dear Agency or Interested Party:

This is to advise that the Kern County Planning and Natural Resources Department has prepared a document entitled Volume 6 – Chapter 7 – Response to Comments for the above referenced proposed project. Section 15088 of the California Environmental Quality Act (CEQA) Guidelines requires the Lead Agency to evaluate comments on environmental issues received from persons who reviewed the Draft Environmental Impact Report (EIR) and prepared written responses addressing each comment. This document has been posted with the State Clearinghouse, Kern County Clerk, and provided to commenting agencies and interested parties/persons by mail at least 10 days prior to the scheduled Planning Commission Hearing.

As noted previously, this document is Chapter 7 of the EIR and is available for review at the Planning and Natural Resources Department, which is located at 2700 "M" Street, Suite 100, Bakersfield, CA 93301 or on the Department website at: **https://kernplanning.com/environmental-doc/euismod-energy/**.

A public hearing has been scheduled with the Kern County Planning Commission to consider the proposed project on October 22, 2026 at 7:00 p.m., or soon thereafter, at the Chambers of the Board of Supervisors, First Floor, Kern County Administrative Center, 1115 Truxtun Avenue, Bakersfield, California 93301.

Thank you for your participation in the environmental process for this proposed project. Should you have any questions regarding this proposed project, please do not hesitate to contact me at (661) 862-5015 or **AlvidrezK@kerncounty.com**.
