Project Title: Agricultural Road Crossing 4 Fish Passage Project (Streambed Alteration Agreement EPIMS Notification No. YOL-29753-R2) Amendment

Project Location: The project is located on the Tule Canal within Yolo Bypass, in the County of Yolo, State of California; Latitude 38.588539, Longitude -121.585911; Assessor's Parcel Number 014-600-073-000.

Project Description: The California Department of Fish and Wildlife (CDFW) has amended Streambed Alteration Agreement EPIMS Notification Number YOL-29753 -R2 (Agreement), pursuant to Section 1602 of the Fish and Game Code to the project Applicant, the Department of Water Resources.

The amendment will (1) update the listed Permittee and primary contact person under the current Agreement; (2) revise the existing project description to provide additional potential in-water work isolation methods; and (3) add additional measures to protect fish and wildlife resources during potential dewatering activities.

Public Agency Approving Project: California Department of Fish and Wildlife

Person or Public Agency Carrying out Project:

Alison Collins
Division of Integrated Science and
Engineering
Department of Water Resources
3500 Industrial Blvd.
West Sacramento, CA 95691
alison.collins@water.ca.gov

Exempt Status:

Categorical Exemption. Type – Class Existing Facilities Class (1) and Minor Alterations to Land Class (4); California Code of Regulations, title 14, sections 15301 and 15304.

Reasons why project is exempt: *Class 1 and 4, section 15301*; The project is exempt because it includes the restoration of an existing, deteriorated structure and is considered a minor alteration to the condition of land that does not include the removal of healthy, mature, or scenic trees. Specifically, the project includes the restoration of a deteriorated agricultural road crossing by removing the existing earthen crossing and installing a permanent bridge structure that spans the Tule Canal.
