JUSTIFICATION FOR PROJECT EXEMPTION: ☐ Additional page(s) attached

The project is exempt because it involves the modification of hours of operation of an existing wine and spirits specialty store for online sales and deliveries. The project proposes hours of operation for delivery orders placed through online and mobile platforms from 6:00 a.m. to 2:00 a.m., daily; the project does not involve the demolition or construction of any existing improvements on the project site. None of the exceptions to the Categorical Exemption Under CEQA Guidelines Section 15300.2 applies to the proposed project. (a) Location: The project is not located within a hillside area nor does the subject site contain an officially mapped environmental resource of hazardous or critical concern. (b) Cumulative Impact: The proposed project will not result in significant cumulative impacts from successive projects of the same type in the same place as it involves the sale of alcoholic beverages in a commercial zone. (c) Significant Effect: The project will not have a significant effect on the environment due to unusual circumstances. Most lots are developed with commercial, single- and multi-family structures, and the subject site is of similar size and slope to nearby properties. The project site is located in a typical urbanized area of the Van Nuys – North Sherman Oaks Community Plan, and the project would be consistent with the designated zoning and would adhere to all requirements of the LAMC. The project is not unusual for the vicinity of the site, and is similar in scope to other existing commercial uses in the area. Furthermore, there is not a reasonable possibility that the project would have a significant effect on the environment due to unusual circumstances. (d) Scenic Highways: The project is not in the vicinity of a state scenic highway and will not damage scenic resources in a state scenic highway. (e) Hazardous Waste Sites: The project site is not on a list compiled pursuant to Government Code Section 65962.5 related to hazardous waste sites. (f) Historical Resources: Per ZIMAS, SurveyLA, and/or Historic Places LA, the project site is not identified or eligible as a historical resource. The project will not cause a substantial adverse change in the significance of a historical resource.

☒ None of the exceptions in CEQA Guidelines Section 15300.2 to the categorical exemption(s) apply to the Project.
☐ The project is identified in one or more of the list of activities in the City of Los Angeles CEQA Guidelines as cited in the justification.
