**SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.**

State Clearinghouse Number (if submitted to State Clearinghouse): 2025121203  
Project Title: HSIP Cycle 11 Silverado Trail Intersection Improvements/HSIPL-5921(090)  
Project Applicant: Napa County Public Works Department  
Project Location (include county): Silverado Trail at Oak Knoll Ave and Zinfandel Ln, Napa County  
Project Description:

Napa County was awarded the Highway Safety Improvement Program (HSIP) Cycle 11 grant to improve critical intersections on Silverado Trail. The Proposed Project involves safety improvements at two intersections including the installation of flashing beacons, a right-turn lane, and other improvements. The following intersections do not comply with current safety standards and need upgrades and/or installation of warning signage to improve overall visibility.

At Silverado Trail with Oak Knoll Avenue, the proposed improvements include the installation of flashing beacons on either end of the intersection on Silverado Trail, a new streetlight, widening the apron of the Oak Knoll Avenue intersection with Silverado Trail and installing a right-turn lane on eastbound Oak Knoll Avenue, restriping the median on Silverado Trail north of the intersection to extend the median closer to the intersection, and widening Silverado Trail on the southbound lane towards Oak Knoll Avenue to provide a right-turn lane.

At Silverado Trail with Zinfandel Lane, the proposed improvements include the installation of flashing beacons on either end of the intersection on Silverado Trail and a new streetlight.

This is to advise that the County of Napa Public Works Department (Lead Agency or Responsible Agency) has approved the above described project on April 14, 2026, and has made the following determinations regarding the above described project.

1. The project ( will  will not) have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures ( were  were not) made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan ( was  was not) adopted for this project.
5. A statement of Overriding Considerations ( was  was not) adopted for this project.
6. Findings ( were  were not) made pursuant to the provisions of CEQA.

This is to certify that the Mitigated Negative Declaration is available to the General Public at:
