Subject: Correction of Error in Published Document – State Clearinghouse #2025121209

The Notice of Exemption (NOE) for the Joint Outfall A Unit 3C Trunk Sewer Protection Between Manholes A38 and A39 project (Project) was filed with the Los Angeles County Clerk (County Clerk) on December 30, 2025. The NOE was submitted to the Governor's Office of Land Use and Climate Innovation on December 30, 2025, and published on CEQAnet as SCH #2025121209.

A clerical error was discovered during an internal review. The correct project name for the project should be Joint Outfall A Unit 3C Trunk Sewer Protection Between Manholes A38 and A39.

A revised NOE for the Project has been filed with the County Clerk on January 15, 2026 (copy enclosed). State Clearinghouse # 2025121209 will need to be updated with the correct project name, as listed in the attached revised NOE.
