RE: Cultural Resources Review, Four Buena Vista Hills Oil Field Federal Wells, Kern County, California

Dear Mr. Parra:

This letter documents completion of a cultural resources review for four Buena Vista Hills Oil Field federal wells, Kern County, California. The wells are 603H-1-6D, 658UH-36-6D, 674UH-6-8D, and 675H-6-8D. This review was conducted to assist in compliance with Section 106 of the National Historic Preservation Act, as amended. Peter A. Carey, M.A., RPA, served as Principal Investigator.

In summary, the locations of wells 603H-1-6D, 658UH-36-6D, 674UH-6-8D, and 675H-6-8D have been previously surveyed by ASM, and all sites within Sections 6D and 8D have been evaluated for eligibility to the National Register of Historic Places (NRHP) and recommended not eligible with Bureau of Land Management (BLM) concurrence.

Future development and use of the well and facility areas will not result in adverse impacts to cultural resources and no additional archaeological work is required.

Please feel free to contact me if you have any questions.

Sincerely,

Peter A. Carey, M.A., RPA
Principal Investigator

RE: Cultural Resources Review, Two Buena Vista Hills Oil Field Federal Wells, Kern County, California

Dear Mr. Parra:

This letter documents completion of a cultural resources review for two Buena Vista Hills Oil Field federal wells, in Kern County, California. The wells are 4-5H-6D and 616-12D. This review was conducted to assist in compliance with Section 106 of the National Historic Preservation Act, as amended. Peter A. Carey, M.A., RPA, served as Principal Investigator.

In summary, the locations of wells 4-5H-6D and 616-12D have been previously surveyed by ASM. All sites within Section 6D have been evaluated for eligibility to the National Register of Historic Places (NRHP) and recommended not eligible with Bureau of Land Management (BLM) concurrence. No cultural resources are located within the project limits for well 616-12D.

Future development and use of the well and facility areas will not result in adverse impacts to cultural resources and no additional archaeological work is required.

Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Peter A. Carey', with a stylized, flowing script.

Peter A. Carey, M.A., RPA
Principal Investigator
