Project Title: Canal Street Bicycle and Pedestrian Improvement Project, Phase 1 & 2

Project Applicant: City of Placerville

Project Location - Specific:

The Project is located along Canal Street from Highway 50 (US-50) to Combella Road and along Combella Road from Canal Street to the north end of David Circle.

Project Location - City: Placerville Project Location - County: El Dorado

Description of Nature, Purpose and Beneficiaries of Project:

The Project will construct new bicycle facilities and replace existing sidewalk from Cougar Lane to Combella Road and construct a new sidewalk along Combella Road from David Circle to Canal Street (Phase 1). Depending upon funding, Phase 1 may be constructed in two segments, Phase 1a, improvements along Combella Road, and Phase 1b, improvements along Canal Street. The Project will also improve Canal Street from El Dorado High School south to US Highway 50 by removing and replacing sidewalks and curb ramps to be ADA compliant and rehabilitating the existing pavement (Phase 2). Due to the campus being split across Canal Street, high school students cross the street several times a day, and the existing crosswalks currently lack adequate ADA-compliant curb ramps. The Project may also repair and replace underground water and sewer lines and improve storm drainage facilities.
