Subject: Transmittal of Notice of Determination for 10-1H230 Hoods Creek Bridge Replacement Project

This memo is submitted as accompaniment for the Notice of Determination for the 10-1H230 Hoods Creek Bridge Replacement Project (State Clearinghouse Number 2026020519). The Caltrans payment for the California Department of Fish and Wildlife (CDFW) filing fee will be filed in person at the State Clearinghouse office. As the Final Environmental Document for the project was a Mitigated Negative Declaration, the amount of \$3,043.75 should be sufficient for the CDFW filing fee.

Upon delivery of this payment, Caltrans requests that the State Clearinghouse publishes the Notice of Determination that was submitted online for the project on the CEQA Submit website.
