

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Title: SLOCOG 2027 Regional Transportation Plan and Sustainable Communities Strategy (RTP)

Lead Agency: San Luis Obispo Council of Governments (SLOCOG)

Contact Name: Monica Stillman

Email: mstillman@slocog.org Phone Number: (805) 781-4219

Project Location: County wide, San Luis Obispo County

City

County

Project Description (Proposed actions, location, and/or consequences).

SLOCOG will be the lead agency and will prepare a programmatic Environmental Impact Report (EIR) for the 2027 RTP, the long-term transportation plan for San Luis Obispo County. The RTP aims to achieve a coordinated, balanced, and multimodal regional transportation system that speaks to improvements and investments in all modes, which include but are not limited to pedestrian, bicycle, public transit, highway, rail, maritime and harbors, goods movement, and aviation. The RTP must be action-oriented, fiscally constrained, and pragmatic, considering both short-term (FY 2027/28-2034/35), mid-term (FY 2035/36-2044/45), and long-term (FY 2045/46-2054/55) periods. The programmatic EIR will consider broad, regional environmental impacts of the programs and projects in the 2027 RTP-SCS; project-specific environmental review would be required prior to implementation of individual projects in the RTP.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This NOP will help determine if there are any significant or potentially significant effects. Typical mitigation measures are those included in the 2019 PEIR.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

SLOCOG is not aware of any controversies.

Provide a list of the responsible or trustee agencies for the project.

Air Resources Board
Boating & Waterways, Department of
California Emergency Management Agency
California Highway Patrol
Caltrans District #5
Caltrans Division of Aeronautics & Planning
Coastal Commission
Conservation, Department of
Energy Commission
