NOTICE OF EXEMPTION

Project Title:

Bach Court Fence (UPM)

Control Number:

PLNP2025-00224

Project Location:

The project is located at 6042 Bach Court, at southwesterly corner of Bach Court and Andante Drive the in the Antelope Community.

APN:

209-0750-050

Description of Project: The proposed project consists of a Minor Use Permit to replace an existing 6.5 ft residential side-street yard fence with a seven-foot fence and two foot retaining wall, totaling nine feet in height on a property in the Residential Density 7 (RD-7) Zoning District.

Name of Public Agency Approving Project:

Sacramento County – ceqa@sacounty.gov

Person or Agency Carrying out Project:

Vincent Villa

Exempt Status:

Categorical Exemption:

CEQA Guidelines Section 15303(e) – New Construction or Conversion of Small Structures

Reasons Why Project is Exempt:

Class 3, Section 15303 consists of the construction of small accessory structures, including but not limited to garages, carports, patios, swimming pools, and fences. The proposed project involves the replacement of a side-street yard fence accessory to a single-family residential development and proposes a height that exceeds the allowable height limit by two feet in the side-street yard.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

The project site is not located within an area of environmental or hazardous concern. The proposed project site is approximately 2000 feet northeast of the PISOR FENCE CO Leaking Underground Storage Tank (LUST) site. Therefore, construction of the project will not result in impacts on an environmental resource of hazardous or critical concern.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

As it stands, the project will not result in potentially significant impacts. Therefore, no cumulative impacts will result from the project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

River Road/Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The Project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

The project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, implementation of the project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

The project site does not contain any historical resources.
