NOTICE OF EXEMPTION

Project Title:

Sacramento County Department of Waste Management and Recycling (WMR)- Jackson Road Surplus Sale

Control Number:

PLER2025-00016

Project Location:

The project site is located on the south side of Jackson Road and approximately 1,000 feet west of Dillard Road (along the Cosumnes River), in the Cosumnes community of unincorporated Sacramento County.

APN:

126-0100-023

Description of Project:

The project consists of the sale of a 7.52± acre surplus property. Sacramento County Department of Waste Management and Recycling (WMR) is selling the subject parcel along Jackson Road to the Wilton Rancheria. The project is limited to the sale of the property and does not involve physical improvements nor physical impacts.

Name of Public Agency Approving Project:

Sacramento County- ceqa@saccounty.gov

Person or Agency Carrying out Project:

Sacramento County Department of General Services- Real Estate Division
Contact: Michelle Satow
3711 Branch Center Road, Sacramento, CA 95827
(916) 876-6212
satowm@saccounty.gov

Exempt Status:

Categorical Exemption (PRC Section 21084; CEQA Guidelines Sections 15300-15333):

- CEQA Guidelines Section 15312 – Surplus Government Sales

Reasons Why Project is Exempt:

Class 12 consists of sales of surplus government property except for parcels of land located in areas of statewide, regional, or areawide concern identified in Section 15206(b)(4). The proposed parcels for sale are not in an area identified in Section 15206(b)(4) and is therefore exempt from the provisions of CEQA.

Section 15300.2-Exceptions

Section 15300.2 of the CEQA Guidelines, Exceptions, provides conditions under which categorical exemptions are inapplicable. Review of the Project indicates that it will not violate any of the exceptions, as described in the following section.

1. *For Classes 3, 4, 5, 6, and 11, will the project have an impact on an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law by federal, state, or local agencies?*

The project exemption is not one of the above classes and this exception does not apply.

2. *Will cumulative impacts be considerable because successive projects of the same type will occur at the same place over time?*

As it stands, the project will not result in potentially significant impacts. The project consists of the sale of property and does not involve physical improvements nor physical impacts. Therefore, no cumulative impacts will result from the project and successive projects of the same type and at the same place over time.

3. *Is there a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?*

There are no known unusual circumstances that will have a significant effect on the environment.

4. *Will the project result in damage to scenic resources, including but not limited to trees, historic buildings, rock outcroppings, or similar resources within a highway officially designated as a scenic highway?*

River Road/ Highway 160 (from the Sacramento City Limits at the northern edge of Freeport to the southern tip of the Delta at Antioch Bridge) is a designated State Scenic Highway. The Project is not located within the vicinity of this scenic highway. Therefore, the project will not result in damage to scenic resources or similar resources within a highway that is officially designated as a scenic highway.

5. *Is the project located on a site which is included on any list compiled pursuant to Section 65962.5 of the Government Code?*

The project site is not included on any list compiled pursuant to Section 65962.5 of the Government Code. Therefore, implementation of the project will not have an impact related to being located on a hazardous waste site.

6. *Will the project cause a substantial adverse change in the significance of a historic resource?*

The project site does not contain any historical resources.
