Project Title: LAFCO File No. 4-S-22 | City of Paso Robles Municipal Service Review and Sphere of Influence Study

Project Location: The City of Paso Robles (City) is located in the northern unincorporated area of San Luis Obispo County.

Description of Nature, Purpose, & Beneficiaries of Project: The Local Agency Formation Commission (LAFCO) has prepared a Municipal Service Review (MSR) and Sphere of Influence (SOI) Study for the City pursuant to Government Code Section 56430 and Section 56425. The SOI is a 20-year growth boundary that includes areas that may be served by the City in the future. State law requires the MSR to be completed either prior to or concurrent with the SOI study. The MSR evaluates the public services provided by the City and is used as the basis for any changes to the SOI. The Commission took action to change the City's SOI as depicted in Attachment A, Exhibit C of the LAFCO January 15, 2026, staff report found on the LAFCO website at <https://slo.lafco.ca.gov/>. The City's SOI previously encompassed approximately 1,971+/- acres beyond its service area and included nine general areas. Following the January 15, 2026, hearing, the SOI now consists of four general areas totaling about 600+/- acres.

Name of Public Agency Approving Project: The San Luis Obispo County LAFCO conducted a noticed public hearing on January 15, 2026, at 9:00 a.m. in the Board of Supervisors Chambers in San Luis Obispo at the County Government Center. Additional information is available on the LAFCO website at <https://slo.lafco.ca.gov/>.

Exemption Status: (check one)

☐ Ministerial (Sec. 21080(b)(1); 15268);	☒ Categorical Exemption: Section 15306
☐ Declared Emergency (Sec. 21080(b)(3); 15269(a));	☐ Statutory Exemptions: State code number
☐ Emergency Project (Sec. 21080(b)(4); 15269 (b)(c));	☒ Other: General Rule Exemption, Section 15061(b)(3)

Reasons Why Project is Exempt: It has been determined with certainty that the MSR and SOI Study is categorically exempt under Class 6, Section 15306, and the MSR and SOI Study also qualifies for a general rule exemption under Section 15061(b)(3). There is no possibility that this MSR and SOI Study may have a significant effect on the environment because there are no land use changes associated with the documents; therefore, the City MSR and SOI Study is found to be exempt from CEQA pursuant to Section 15306 and Section 15061(b)(3) of the State Guidelines. LAFCO will file this Notice of Exemption upon approval of the MSR and SOI Study.
