Project Title: Reeves Road Emergency Repairs at MP 0.25 – Project No. P6X50687	
Project Location: Reeves Road at MP 0.25	
Project Location - City Near the city of Ojai	Project Location – County County of Ventura
Description of Nature, purpose, and beneficiaries of project: As a result of the December 2025 storm flows, a portion of the south bank of Reeves Creek, along with the adjacent roadway, was washed out during the storm event. This damage has compromised the stability of the roadway and requires immediate emergency repairs. The proposed emergency work will include the placement of rock within and along the banks of Reeves Creek to stabilize the channel and prevent further erosion. In addition, the south bank will be reconstructed, and the affected portion of the roadway will be restored to reestablish safe and reliable access. These emergency measures are necessary to protect public safety and prevent additional damage during future storm events.
