Project Location: Unincorporated Area of Nevada County
City *County*

Project Description (Proposed actions, location, and/or consequences).

The project is an update to the Nevada County Safety Element, Chapter 10 of the General Plan, which was previously adopted by Nevada County in 2020. The Safety Element update is required by Government Code Section 65302(9). The Safety Element addresses potential and existing hazards in the County, which are outlined in the following categories: Emergency Preparedness, Geological Hazards/Seismic Activity, Flood Hazards, Airport and Military Airspace Hazards, Hazardous Materials, Mining Hazards, Public Safety Services and Facilities, Fire Hazards and Protection, Severe Weather Hazards, Climate Change Resiliency and Mitigation, and Environmental Justice and Vulnerable Populations.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

No mitigation measures are proposed for this project to update the Safety Element.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

A few comments have been received regarding text amendments to the Safety Element. Appropriate revisions to the Safety Element are being proposed. There are no known controversial issues with the Safety Element update.

Provide a list of the responsible or trustee agencies for the project.

All Internal and External Governmental and Non-Governmental Agencies, Special Interest Groups and Cities/Counties on the County Planning Department Distribution list. For the full list, please contact the project planner, Zachary Ruybal, at (530) 470-2488 or zachary.ruybal@nevadacountyca.gov.
