

# Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2026010972

Project Title: SAM Force Main in Montara Replacement Project

Lead Agency: Sewer Authority Mid-Coastside

Contact Name: Kishen Prathivadi

Email: kishen@samcleanswater.org Phone Number: 650-726-0124 EXT. 106

Project Location: Half Moon Bay, San Mateo County  
*City* *County*

Project Description (Proposed actions, location, and/or consequences).

The project is proposed by the Authority and includes the construction of a replacement sewer force main segment along SR-1 between the community of Moss Beach and the community of El Granada, with a proposed length of approximately 13,540 feet. The existing force main has experienced several leaks in the past and must be replaced to protect the public health and the environment. The project alignment would be located south and north of SR-1 and would involve replacement in-kind of the existing sewer force main within Caltrans ROW. The project alignment begins near the intersection of SR-1 and Virginia Avenue in the community of Moss Beach.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Biological Resources  
Cultural Resources  
Paleontological Resources  
Hazards and Hazardous Materials  
Noise
