- ☐ Declared Emergency [C 21080(b)(3); G 15269(a)]

Statement of reasons why project is exempt:

The License Agreement between the County of San Diego and the City of Coronado is categorically exempt from CEQA pursuant to Section 15301, Existing Facilities, as it involves the City of Coronado's use of the existing San Diego Emergency Vehicle Operations Center for meeting and training purposes via a license agreement that would not expand the existing or former use of the facility. Further, no exceptions listed in CEQA Guidelines Section 15300.2 apply to the project. Additionally, the project will not impact environmental resources of hazardous or critical concern that are designated, precisely mapped and officially adopted by government agencies; does not contribute to cumulative environmental impact; will not have a significant impact on the environment due to unusual circumstances; does not damage scenic resources within a designated state scenic highway; is not on the list of Hazardous Waste and Substance Sites pursuant to Section 65962.5 of the Government Code; and does not cause adverse change in the significance of a historical resource.
