Project Title: Ellis Lake Enhancement Project

Project Applicant: City of Marysville

Project Location (include county): Marysville, in Yuba County

Project Description:

The proposed project includes recreational enhancements associated with the main lake of Ellis Lake. The existing concrete paths on the north and east sides of the main lake would be replaced with new, wider concrete paths or concrete boardwalks to create a shared bicycle/pedestrian pathway from 14th Street to 9th Street. A staircase would be installed in the northwestern corner of the lake. Also included is replacement of the existing access paths between the existing crosswalks at 10th and B Street and 12th and B Street. Play equipment and an accessible picnic table would be added to the west side of Ellis

This is to advise that the City of Marysville has approved the above (Lead Agency or Responsible Agency)

described project on March 13, 2026 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
