

NOTICE OF EXEMPTION

To:	Office of Land Use and Climate Innovation Attn: State Clearinghouse 1400 Tenth Street Sacramento, California 95814	From:	Department of Water Resources Water Management P.O. Box 942836 Sacramento, California 94236-0001
------------	---	--------------	---

Project Title	Agreement Between the Department of Water Resources of the State of California (DWR), San Bernardino Valley Municipal Water District (SBVMWD), and San Geronimo Pass Water Agency (SGPWA) for Repayment of Debt Service Associated with Greenspot Pump Station and Associated Facilities, Removal of These Facilities from the List of State Water Project Facilities, and Designation of New Delivery Structures
Location- Specific	From the Foothill Pipeline Junction between East Branch Extension (EBX) Phase I and Phase II near Cone Camp Road (start of EBX Reach 2A) to Crafton Hills Pump Station (end of EBX Reach 2C)
Location- County	San Bernardino County
Description of Activity	The Agreement documents the terms and conditions for the 1) removal of the East Branch Extension (EBX) Reaches 2A, 2B, and 2C from the list of State Water Project facilities due to the debt repayment by SBVMWD and SGPWA associated with Greenspot Pump Station and associated facilities, and 2) DWR's transfer of operation and maintenance responsibilities and relinquishment of DWR's contractual rights and obligations for EBX Reaches 2A, 2B, and 2C to SBVMWD and SGPWA.
Name of Public Agency Approving or Carrying out Activity	SBVMWD (local agency), SGPWA (local agency), and DWR (state agency)
Exempt Status	☐ Ministerial ☐ Declared Emergency ☐ Emergency Project ☒ Categorical Exemption: Class 1; CEQA Guidelines Section 15301, Existing Facilities ☐ Statutory Exemption: California Water Code Section 1729
Reasons why activity is exempt	a. The subject facilities are existing facilities that will continue to be operated and maintained consistent with current operational practices with no expansion of existing or former use. b. No construction or modification is required to implement the project, except for minor alterations to install new water measurement devices and appurtenances. c. The project will not result in any direct or reasonably foreseeable indirect physical changes in the environment, and there will be no change in land use.
