Description of Nature, Purpose, and Beneficiaries of Project: The project consists of the installation of Flock Safety automated license plate reading (ALPR) cameras on behalf of the San Bernardino County Sheriff's Office. The installation consists of band clamp attachment of a camera and a solar panel to existing traffic signal poles

with no proposed ground disturbance. The purpose of the installation is to provide law enforcement with the ability to detect license plates associated with criminal activity and to assist law enforcement with intercepting these vehicles. The beneficiaries of the project are both law enforcement and the public at large as this installation will serve public safety interests and help make San Bernardino County a safer community.
