

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

Project Location: Elk Grove, Sacramento County

City

County

Project Description (Proposed actions, location, and/or consequences).

The California Department of Transportation (Caltrans) proposes the I-5 Grade Raise Project. The project is located on Interstate 5 (I-5) in Sacramento County, between Post Miles 0.21 and 4.63. The total length of the project is 4.42 miles. Within the limits of the proposed project, I-5 is a four-lane highway. This project was programmed for Pavement Rehabilitation. The purpose of this project is to restore and improve the existing pavement condition and extend the life of transportation infrastructure. The project aims to preserve and sustain the I-5 corridor and its structures, while enhancing safety, reliability, rideability, and existing drainage systems.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This proposed project would have No Impact on: Aesthetics, Energy, Geology and Soils, Hazards and Hazardous Materials, Land Use and Planning, Mineral Resources, Noise, Population and Housing, Public Services, Recreation, Tribal Resources, Utilities and Service System, Wildfire. The proposed project would have Less Than Significant Impacts to: Agricultural and Forest Resources, Air Quality, Biological Resources, Cultural Resources, Greenhouse Gas Emissions, Hydrology and Water Quality, Transportation, Mandatory Findings of Significance. No mitigation measures are proposed for this project at this time.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
