

Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: _____

Project Title: Citrus Heights Gateway Activation Project

Lead Agency: City of Citrus Heights

Contact Name: Casey Kempenaar

Email: ckempenaar@citrusheights.net Phone Number: 916-757-4764

Project Location: Citrus Heights, Sacramento County
City *County*

Project Description (Proposed actions, location, and/or consequences).

The Project proposes improvements on a 0.45-mile section of Old Auburn Road from the Sacramento County line south to Roberts Creek Court and on Wachtel Way from Old Auburn Road south approximately 0.61 miles to the Woodside Oaks Park segment of the Arcade-Cripple Creek Trail. The proposed improvements include intersection enhancements such as roundabouts, as well as the installation of pedestrian and bicycle facilities such as multi-use pathways, Class IV bikeways, crosswalks, sidewalks, and Americans with Disabilities Act (ADA)-compliant curb ramps. The Project includes amending the Bikeway Master Plan, Pedestrian Master Plan, and the General Plan Bikeway Map to incorporate these new bicycle and pedestrian segments. These improvements are needed to address traffic congestion along Old Auburn Road as well as current deficiencies in pedestrian and bicycle access along Old Auburn Road and Wachtel Way.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potential impacts as a result of the proposed Project include impacts to air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, noise, population and housing, traffic, and tribal cultural resources. Avoidance, minimization, and mitigation measures would be implemented to reduce any potential impacts to less than significant. No unavoidable and significant impacts would occur as a result of the proposed Project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

None.

Provide a list of the responsible or trustee agencies for the project.

City of Citrus Heights.
