Project Description: *(please use a separate page if necessary)*

The City of Tulelake proposes improvements to the wastewater system. This proposed project includes the planning and design to install approximately 4,900 feet of 8" PVC sewer collection piping, replace C Street sewer lift station, replace Park Street sewer lift station, install headworks screening facility, and install screening equipment at lift station. These plans will improve the City of Tulelake wastewater collection system.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
