Project Title: City of Tulelake Wastewater Improvement Project

Lead Agency: City of Tulelake

Contact Name: Jenny Coelho

Email: \_\_\_\_\_ Phone Number: 530-677-5522

Project Location: Tulelake, Siskiyou County

*City*

*County*

Project Description (Proposed actions, location, and/or consequences).

The City of Tulelake proposes improvements to the wastewater system. This proposed project includes the planning and design to install approximately 4,900 feet of 8" PVC sewer collection piping, replace C Street sewer lift station, replace Park Street sewer lift station, install headworks screening facility, and install screening equipment at lift station. These plans will improve the City of Tulelake wastewater collection system.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

There are no significant or potentially significant effects expected to result from this project. There are no proposed mitigation measures.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

There is no known controversy associated with this project including issues raised by the agencies and the public.

Provide a list of the responsible or trustee agencies for the project.
