Project Title: City of Tulelake Wastewater System Improvements

Project Applicant: City of Tulelake

Project Location (include county): Tulelake (Siskiyou County) California

Project Description:

The City of Tulelake proposes improvements to the wastewater system. This proposed project includes the planning and design to install approximately 4,900 feet of 8" PVC sewer collection piping, replace C Street sewer lift station, replace Park Street sewer lift station, install headworks screening facility, and install screening equipment at lift station. These plans will improve the City of Tulelake wastewater collection system.

This is to advise that the City of Tulelake has approved the above (Lead Agency or Responsible Agency)

described project on 11/25/2025 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
