Project Location - City: Kerman Project Location - County: Fresno

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of the removal of an existing non-functional restroom at Plaza Veterans Park and the installation of a new prefabricated accessible restroom within the same developed park area, including minor demolition, limited grading within previously disturbed areas, concrete flatwork, and replacement of existing utility connections. This project involves minor alteration and replacement of an existing public facility with no expansion of park use, capacity, or operational intensity. The site is located within an established urban park, and the project will not result in significant environmental impacts.
