Project Title: CHP Tenant Improvements, Ronald M George State Office Complex, Building #402 (Earl Warren Building)

Project Location – Specific: 350 McAllister Street

Project Location – City: San Francisco, CA 94102

Project Location – County: San Francisco

Description of Nature, Purpose, and Beneficiaries of Project:

The project consists of removing two full-height plaster partitions to allow four small offices to be combined into two larger office areas. Two doors and frames will be removed with one set to be relocated within the same hall. Construction scars will be covered in-kind to match the existing surrounding materials. The project also involves electrical and data relocation and lighting upgrades.

Name of Public Agency Approving Project: Judicial Counsel of California

Name of Person or Agency Carrying Out Project: Alisha Dutta, Senior Project Manager

Exempt Status: Categorical Exemption 15301 Class 1 – Existing Facilities

Reasons Why Project is Exempt:

The project qualifies for a Class I exemption which exempts minor alterations upgrades/improvements at an existing building and involves negligible or no expansion of the existing building use. The California State Building, also known as the Earl Warren Building, is listed in the National Register of Historic Places as a contributor to the San Francisco Civic Center, and is included on the state master list of state-owned historic resources. The Earl Warren Building, together with the Hiram Johnson Building, make up the Ronald M. George State Office Complex.

Review of the project plans by a Preservation Architect determined that the project complies with the Secretary of the Interior's Standards for Rehabilitation and will not have an adverse effect on the historic nature of the resources. The State has confirmed no exceptions to the exemption apply.
