Notice of Determination

State Clearinghouse Number: 2026021042

Project Title: Red Hill Bay BACM Project

Project Description:

The proposed Red Hill Bay BACM Project is proposed to control dust emissions on IID-owned land adjacent to the Salton Sea in compliance with the May 2, 2022 Stipulated Order for Abatement between IID and Imperial County Air Pollution Control District. The project would reduce dust emissions by applying a commercially available chemical stabilization product (Soiltac®) to protect the surface from wind erosion. Stabilizer application would be via water truck or hose reel and irrigation boom. Temporary resource protection berms would be installed to protect onsite ditches and wetlands from construction of the dust control project; application of soil stabilizer would not occur within 300 feet of existing vegetated wetlands and ditches. The project also includes grading access routes and improvement of an existing on-site access road.
