Description of Nature, Purpose, and Beneficiaries of Project The proposed project is the renewal of an existing Tidelands Use and Occupancy Permit (TUOP) to Pier 32 Marina Group, LLC (Tenant), for their use of approximately 17,928 square feet of land area located west of Marina Way and 32nd Street in the city of National City, California. The area proposed for use under this TUOP is currently and is proposed to be used only and exclusively for the purpose of rental of dry storage spaces to the public and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance. The Tenant would be responsible for compliance with all laws and regulations associated with the activities on or in connection with the above-described premises, and in all uses thereof, including those regulating stormwater and hazardous materials. No new development, construction, or increase in the size of the property is proposed or authorized as part of the TUOP.

It is anticipated that the TUOP would have a total term of approximately five (5) years. The TUOP may be terminated by the District or Tenant as a matter of right and without cause at any time upon providing thirty (30) days' notice in writing to the other party of such termination.
