PROJECT DESCRIPTION

Project Name Here: CSA 64 – Archway Renovation Project

Project Location:
12170 Spring Valley Pkwy, Victorville, CA 92395

Project Description: The project consists of demolishing the existing archway structure located at the entrance to Spring Valley Lake. Work includes removal of the roof structure, stucco walls, columns, and below-grade footings, as well as clearing and grubbing of designated trees and shrubs. Minor grading and backfill will be performed to restore the site. Stonework accents, including boulders and cobble, will be installed to create a durable and low-maintenance gateway feature. All work will occur within the existing monument area and will not expand the footprint or change the use of the site.

Exempt Status: (check one)

- Ministerial [Sec. 21080(B)(1); 15268];
 Declared Emergency [Sec. 21080(B)(3); 15269(a)];
 Emergency Project [Sec. 21080(B)(4); 15269(b)];
 Categorical Exemption. State type and section: Class 1 Existing Facilities Section 15301, Class 11 Accessory Structures Section 15311
 Statutory Exemptions. (State code number):

Reasons why project is exempt:

The project involves minor alterations and demolition of an existing public structure and installation of stonework accents within the same footprint. No expansion of use or significant environmental impacts will occur. It can be seen with certainty that there is no possibility of a significant effect on the environment.
