

California Environmental Quality Act
**Notice of Intent to Adopt a
Negative Declaration/
Mitigated Negative Declaration**

NOTICE IS HEREBY GIVEN that the City of San Dimas has completed an Initial Study for the following described project at the following location:

Lone Hill Park Regional Watershed Management Program Project
500 N. Shellman Avenue, San Dimas, California 91773

The Initial Study was completed in accordance with the City's Guidelines implementing the California Environmental Quality Act. This Initial Study was undertaken for the purpose of deciding whether the project may have a significant effect on the environment. On the basis of such Initial Study, the City's staff has concluded that the project will not have a significant effect on the environment, and has, therefore, prepared a Draft Negative Declaration/Mitigated Negative Declaration. The Initial Study reflects the independent judgment of the City.

1. The Project site is, is not, on a list compiled pursuant to Government Code section 65962.5.
2. The proposed Project is, is not, considered a project of statewide, regional or areawide significance.
3. The proposed project will, will not, affect highways or other facilities under the jurisdiction of the State Department of Transportation.

Copies of the Initial Study and Draft Negative Declaration/Mitigated Negative Declaration are on file at City Hall, 245 East Bonita Ave., San Dimas CA 91773, and are available for public review. Electronic format of the document(s) can also be obtained by contacting Lauren Marshall at (909) 394-6240. Comments will be received until 5:00 PM on April 3, 2026. Any person wishing to comment on this matter must submit such comments, in writing, to the City prior to this date. Comments of all Responsible Agencies are also requested.

If the City finds that the project will not have a significant effect on the environment, it may adopt the Negative Declaration/Mitigated Negative Declaration. This means that the City Council may proceed to consider the Project without the preparation of an Environmental Impact Report.
