August 10, 2026

State Clearinghouse
1400 Tenth Street
Sacramento, CA 95814

The California Department of Transportation (Caltrans) requests to replace the Notice of Determination (NOD) for the KIN 41 Drainage Restoration Project (SCH number 2026030130). A typo was identified under question 4 on the NOD submitted to the State Clearinghouse on June 24, 2026. It should be marked "was not," because by definition, projects with Negative Declarations do not have mitigation and monitoring plans adopted. The NOD prepared for the California Transportation Commission's action on the project will also be marked "was not" for this response, accordingly.

Therefore, due to this changed circumstance, Caltrans has concluded that the project NOD, posted on June 24, 2026, should be rescinded from the Governor's Office of Planning and Research website and replaced with an updated NOD. In addition, Caltrans requests that the determinations in CEQAnet be updated to match those in the revised NOD. No further changes to the project determination are anticipated.

Sincerely,

Phong Duong
