Sacramento, CA 95814

Project Title

Police Station Generator Replacement Project, CIP ET0033

Project Location – Specific

2600 Fifth Street, Davis, CA 95616

Project Location -- City

Davis, CA 95616

Project Location – County

Yolo County

Description of Nature, Purpose, and Beneficiaries of Project

The project replaces the existing backup power generator, breaker and transfer switches at the City of Davis Police Station with a new, permanent backup diesel engine generator, automatic and manual transfer switches and related accessories.

Name of Public Agency Approving Project

City of Davis

Name of Person or Agency Carrying Out Project

City of Davis

Exempt Status: (Check One)

Ministerial (Sec 15073)

Declared Emergency (Sec. 15071(a))

Emergency Project (Sec. 15071(b) and (c))

X Categorical Exemption. State type and section number: 15301 (b) and (d), and 15302 (c)

Reasons why project is exempt:

The project is categorically exempt under CEQA Guidelines Chapter 3, Article 19, including Section 15301(b) (existing publicly-owned utility equipment) and Section 15301(d) (restoration/rehabilitation of existing facilities), because it involves the repair, maintenance, and minor alteration of existing publicly owned utility facilities and the rehabilitation of existing mechanical and electrical systems at an existing Police Station

with no expansion of use. The project is also exempt under Section 15302(c) (replacement of utility systems with same purpose/capacity), which applies to the replacement of existing utility systems and facilities where the new equipment will be located on the same site and will have substantially the same purpose and capacity as the equipment replaced. The work consists of replacing the existing backup generator, breakers, transfer switches, and related accessories with new equipment serving the same emergency-power function. None of the exceptions listed in Section 15300.2 apply.
