Project Description: *(please use a separate page if necessary)*

The Mariposa County Public Works Department (County) proposes road widening and associated improvements along Fournier Road. Proposed improvements along Fournier Road would span the entire length of the roadway and would include widening the roadway to two 12-foot travel lanes. The proposed project also includes new pavements, construction of a sidewalk, curb and gutter, detention basin, a bridge, on-street parking adjacent to the cemetery, and striping at the intersection with Antone Road. The proposed project would also include grading, right-of-way dedication, and relocation of utilities. The project site is not part of a site that is included on the State Cortese List (Government Code Section 65962.5[a]).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
