**Present Land Use/Zoning/General Plan Designation:**

Industrial/INP-Dc-AO/Auburn/Bowman Community Plan

**Project Description:** *(please use a separate page if necessary)*

The proposed project requests approval of a Minor Use Permit and Design/Site Review for the construction and operation of a 74-space recreational vehicle storage yard. The project proposes to construct three steel canopies with corrugated roofs providing a total of 29,702 square feet of covered area in the form of 58 spaces. The project also proposes 16 uncovered spaces with 11 spaces by the northern property line, 4 by the western property line, and one by the southern property line. In addition, the project includes the removal of an existing onsite pool and pool house. Access to the site is proposed from an existing 50-foot road right of way easement along the southern property line of the neighboring property to the west. The subject property, Assessor's Parcel Number 051-220-004-000, is comprised of a 2-acre parcel currently zoned INP-Dc-AO (Industrial Park, combining Design Scenic Corridor, combining Aircraft Overflight).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
