REGISTRAR - RECORDER/COUNTY CLERK

Project Title/Case No(s): Cudahy Park Renovation Project (CIP Project No. PRE-001)
Project Applicant: City of Cudahy
Project Location - Specific: Cudahy Park. 5220 Santa Ana Street
Project Location - City: Cudahy, CA 90201 **Project Location - County:** Los Angeles

Project Description: The project consists of demolition of existing park improvements such as concrete pads, concrete walkways, barbecue grill, trash receptacles, playground equipment, wood chip materials, rubberized surface material, splash pad plumbing, tennis and basketball court slabs, chain link fencing, and removal of a tree. The project also consists of construction of new park improvements such as tennis and basketball courts, baseball field equipment, skate park, pedestrian paths, fencing, gates, water fountains, prefabricated shade structures, picnic tables, benches, fitness equipment, playground equipment, splash pad, storage building, lighting, and biofiltration basins. No expansion of the park area or change of land use are proposed and as such no impact on the adjacent properties is expected.

Exempt Status: (check one)

- Ministerial (Sec. 21080(b)(1); 15268)
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. **15301(c) - Class 1 Existing Facilities; 15302(b) - Class 2 Replacement or Reconstruction; and 15303(e) New Construction or Conversion of Small Structures**
- Statutory Exemptions.

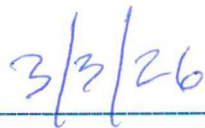

Reason why project is exempt:

The project qualifies for a Class 1 (Existing Facilities) categorical exemption because the project consists of minor alterations to existing parkland to improve pedestrian accessibility and public safety and modernize the park and does not involve significant expansion of use. The project qualifies for a Class 2 (Replacement or Reconstruction Exemption) categorical exemption because existing park structures and facilities will be replaced or reconstructed with new structures and facilities with substantially the same purpose and capacity as what is replaced, such as walkways, tennis and basketball courts, skatepark, and playground equipment. The project qualifies for a Class 3 (New Construction or Conversion of Small Structures) categorical exemption because improvements include addition of new structures such as a storage building and new fencing. Therefore, the City of Cudahy determined the Project will not have a significant effect on the environment.
