Project Title: Wireless Right-of-Way Permit No. 22-009, Coastal Development Permit Exemption No. 26-007, and Categorical Exemption No. 25-207

Project Location – Specific: 5900.5 Trancas Canyon Road, within the public right-of-way

Project Location – City: Malibu **Project Location – County:** Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project: An application to modify an existing T-Mobile wireless facility on a Southern California Edison utility pole in the public right-of-way near 5900 block of Trancas Canyon Road. The project would remove two panel antennas, two mounting arms, one equipment shroud, and related equipment, and would install two new side-mounted antennas (approximately 14 inches wide), an equipment shroud, along with pole-mounted radio equipment, cabling, an electrical shutoff switch, and associated equipment. The existing 32-foot-2-inch wood utility pole (SCE Pole ID No. 20422SPR) would remain in place with no change in height. The proposed facility would be reduced by 1-foot, 8 inches relative to the existing facility, resulting in a total height of 31 feet, 2 inches. Minor excavation is limited to a vertical bore of approximately 11 feet for a grounding rod and would occur within the existing disturbed right-of-way. No grading, trenching, or new ground-mounted equipment is proposed. In addition to City-issued permits, the applicant is required to obtain an encroachment permit from the City Public Works Department

Name of Public Agency Approving Project: City of Malibu

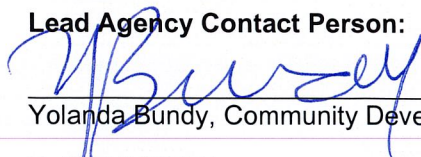

Name of Applicant/Permittee/Property Owner/Recipient of Project Approvals: Infinigy, on behalf of Property Owner, T-Mobile

Exempt Status: *(check one)*

- Ministerial (Sec. 21080(b)(1); 15268): _____
- Declared Emergency (Sec. 21080(b)(3); 15269(a)): _____
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c)): _____
- Categorical Exemption; Type and section number: Sections: 15301(e) - Existing Facilities, and 15303(e) - New Construction or Conversion of Small Structures
- Statutory Exemptions; Code number: _____

Reasons why project is exempt: The project, as described above, is consistent with the classes of projects described in CEQA Guidelines Sections 15301(e), and 15303(e) that are considered exempt from further CEQA review. None of the exceptions described in Section 15300.2 apply. No potentially significant impacts will result from the project, either singularly or cumulatively.
