**Project Title:** Wireless Right-of-Way Permit No. 22-011, Coastal Development Permit Exemption No. 26-017, and Categorical Exemption No. 25-172

**Project Location – Specific:** 24034.5 Malibu Road, within the public right-of-way

**Project Location – City:** Malibu      **Project Location – County:** Los Angeles

**Description of Nature, Purpose, and Beneficiaries of Project:** An application to modify an existing T-Mobile wireless facility on a Southern California Edison utility pole in the public right-of-way near the 24000 block of Malibu Rd. The project would remove two panel antennas, one mounting arm, and one equipment shroud, and would install two new side-mounted antennas (each approximately 14 inches in diameter), an equipment shroud, along with pole-mounted radio equipment, cabling, an electrical shutoff switch, and associated equipment. The existing 38-foot, 1-inch wood utility pole (SCE Pole ID No. 4561384E) and ground-mounted equipment cabinet would remain in place with no change in height or dimensions. No excavation, trenching, or new ground-mounted equipment is proposed. All improvements would occur on the existing pole. In addition to City-issued permits, the applicant is required to obtain permits for use of the pole by Southern California Edison and an encroachment permit from the City Public Works Department
