**UNDERGROUND STORAGE TANK CASE CLOSURE
PRUDENTIAL OVERALL SUPPLY
8144 HASKELL AVENUE, VAN NUYS, CA (ID# 914060370)**

Dear Mr. Terry,

This letter confirms the completion of a site investigation and remedial action for the underground storage tank(s) formerly located at the above-described location. Thank you for your cooperation throughout this investigation. Your willingness and promptness in responding to our inquiries concerning the former underground storage tank(s) are greatly appreciated.

Based on the information in the above-referenced file and with the provision that the information provided to this agency was accurate and representative of site conditions, no further action related to the underground tank release is required. This notice is issued pursuant to a regulation contained in Section 2721(e) of Title 23 of the California Code of Regulations.

If you have groundwater monitoring wells or vapor extraction wells at the subject property, you must comply with the following:

1. All wells must be located and properly abandoned.
2. Well abandonment permits must be obtained from Los Angeles County Department of Health Services, Water Well Permits, and all other necessary permits must be obtained from the appropriate agencies prior to the start of work.
3. You must submit a report on the abandonment of the wells to this office by October 31, 1997. This report must include, at a minimum, a site map, a description of the well abandonment process, and copies of all signed permits.

Please contact Mr. Jay C. Huang at (213) 266-7608 if you have any questions regarding this matter.

Sincerely,

DENNIS A. DICKERSON
Executive Officer

JAMES D. KUYKENDALL
