Project Description (Proposed actions, location, and/or consequences).

The proposed project includes a comprehensive General Plan Update and associated Zoning Map and Zoning Text Amendments. The 2045 planning horizon for the Planning Area is estimated to result in increases of approximately 10,350 dwelling units and 2.4 million square feet of non-residential space. An estimated increase of approximately 31,483 residents and 6,097 jobs is projected for the 2045 horizon year.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The project could potentially result in significant or potentially significant effects related to air quality, greenhouse gas emissions, hydrology and water quality, noise, recreation, transportation, and utilities and service systems.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
