Present Land Use/Zoning/General Plan Designation:

Agricultural, Open Space, Floodwater Conveyance / ARE-40 (Agricultural, Rural, Exclusive (40 acre) District) / AE (Agricultural Exclusive)

Project Description: (please use a separate page if necessary)

The Project would construct a new point of diversion and intake/fish screen structure on the Eastside Bypass, a pump station, and an approximately 3,400-foot conveyance pipeline to divert flood flows to a dedicated 5-acre recharge basin and to approximately 160 acres of farmland for the purposes of groundwater recharge when flood waters are available. The Project is located in western Madera County west of State Route 99 and south of State Route 152, and is more particularly located on the north side of Avenue 18½ between the Chowchilla Canal and the Eastside Bypass within assessor parcel numbers (APNs) 021-130-004 and 021-140-019.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
