Description of Nature, Purpose, and Beneficiaries of Project The proposed project is a Tidelands Use and Occupancy Permit (TUOP) to Chesapeake Fish Wholesale Corp (Tenant) for their use of approximately 18,335 square feet (sq ft) of building area and approximately 51,684 sq ft of joint-use land and water area, and approximately 842 square feet of joint-use building area in the city of San Diego, California. The building area proposed for use under this TUOP is currently and is proposed to be used only and exclusively for the purpose of commercial fish and seafood processing, storage and packaging, related wholesale business activities, loading and unloading of fish and seafood from trucks and marine vessels, and for no other purpose whatsoever without the prior written consent of the Executive Director of District in each instance. The joint-use land and water area would be used as a loading dock, truck delivery area, and wharf and would be used by the Tenant and other tenants of the Premises. The joint-use area shall be maintained and kept in good repair and condition by the Tenant at their sole cost and expense.

The Tenant would be responsible for compliance with all laws and regulations associated with the activities on or in connection with the above-described premises, and in all uses thereof, including those regulating stormwater and hazardous materials. The tenant shall take every reasonable precaution to prevent foreign material and debris from falling into or otherwise reaching the bay during its operations. Any foreign materials or equipment, buoyant or non-buoyant that reaches the bay shall be removed by the Tenant. No new development, construction, or increase in the size of the property is proposed or authorized as part of the TUOP.

It is anticipated that the TUOP would have a total term of approximately five (5) years. The TUOP may be terminated by the District or Tenant as a matter of right and without cause at any time upon providing ninety (90) days' notice in writing to the other party of such termination.
