Description of Nature, Purpose and Beneficiaries of Project.

The proposed project consists of the preparation and implementation of an electronic access control plan for exterior entrances and select interior doors at buildings owned and operated by the County of San Luis Obispo in downtown San Luis Obispo. The project includes the buildings commonly referred to as the Courthouse Annex and the Katcho Achadjian Government Center. The plan will identify the infrastructure required to support installation of the system. No expansion of building footprints or structural or aesthetic changes to the buildings are proposed at this time. Project activities may include installation of electronic door hardware, access control panels, wiring, and related infrastructure necessary to provide remote locking capability during a lockdown or other emergency situation.
