**Present Land Use/Zoning/General Plan Designation:**

Vacant/R-7,000/Urban Residential (UR)

**Project Description:** (please use a separate page if necessary)

The proposed project consists of a 47-lot single-family residential subdivision on approximately 11 gross acres on the west side of 20th Street West, south of Avenue H. The lots would range in size from 7,000 square feet to 11,000 square feet. Access to the subdivision would be provided from 20th Street West. The streets within the subdivision would be private and the streets surrounding the subdivision would remain public. The project also includes a variance for increased wall height to be consistent with height of neighboring subdivision wall to the south. The project also includes sidewalks along 20th Street West and on the internal private streets as well as new landscaping.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
