

# NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

---

The Board of Directors of the Orosi Public Utility District hereby gives notice, pursuant to California Public Resources Code section 21092, that it intends to adopt a Mitigated Negative Declaration with respect to a proposed project.

<b>Project Title</b>	Well 5A Auxiliary Power and Pumps Project
<b>Project Description</b>	The Proposed Project consists of a standby diesel 500kw generator and three (3) booster pumps at the District's Well 5A site to improve domestic water supply delivery. Proposed Project features (generator, building, pumps and electrical connections) will be constructed above ground at the well site. Construction activities include earthwork, site grading, concrete work and electrical work.
<b>Project Location</b>	Section 18, T16S, R25E, Mount Diablo Base and Meridian as shown on attached map.
<b>Determination of Impacts</b>	The Project is not anticipated to have any long-term negative environmental impacts. Short-term construction related potential impacts will be mitigated to a less than significant level by use of construction specifications requiring proper and defined mitigation measures.

The Initial Study of the environmental impact for the Proposed Project indicates that the Proposed Project will have no significant effect on the environment.

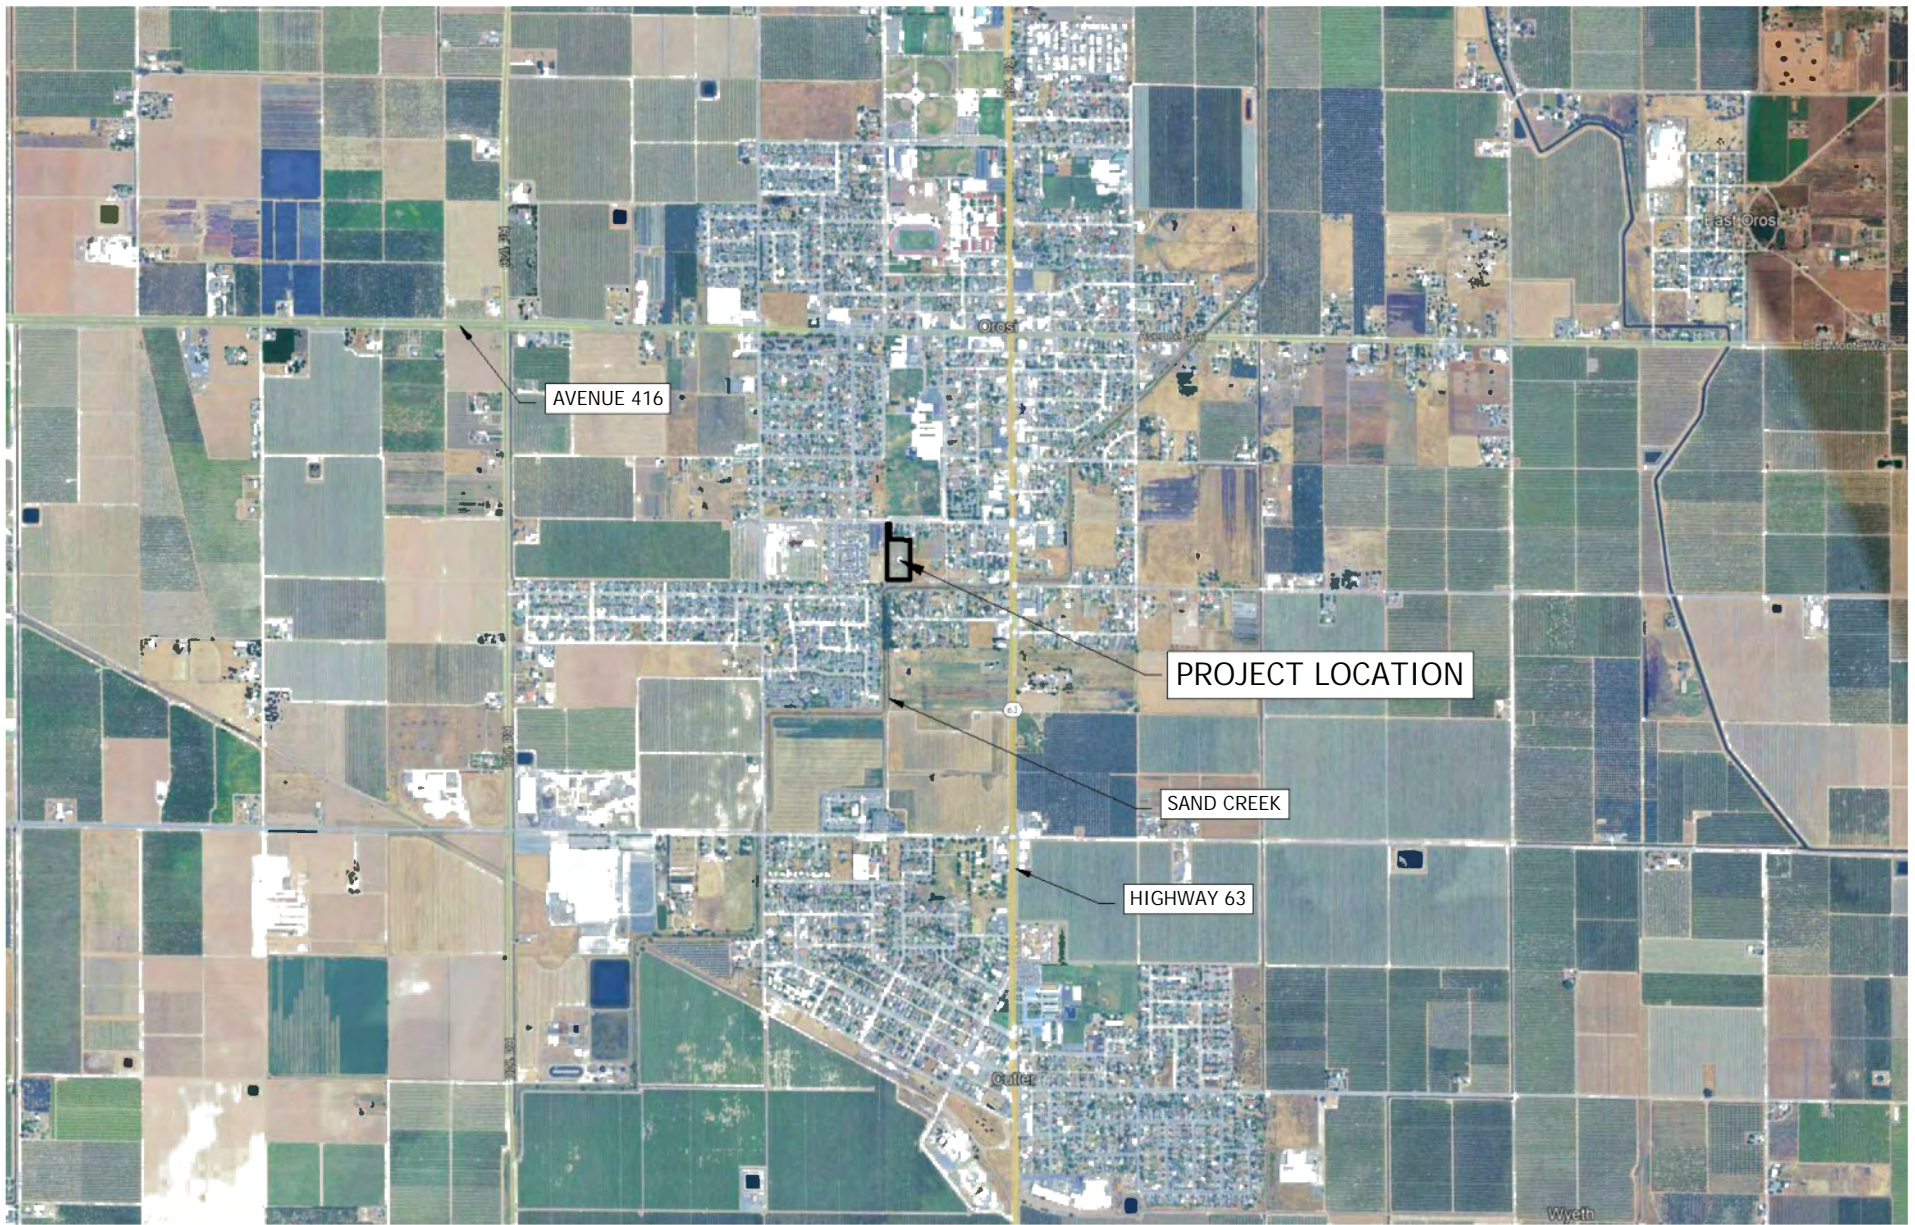

The public review of this matter shall be deemed to have begun on March 11, 2026. The last day for the public review period shall be deemed to be April 9, 2026. During the public review period, copies of the proposed Mitigated Negative Declaration may be obtained at the office of the Orosi Public Utility District. The District will receive written comments on the proposed Mitigated Negative Declaration during the public review period. Comments should be sent to the address indicated on this notice and to the attention of Dennis R. Keller, Consulting Civil Engineer.

A public hearing on the adoption of the proposed Mitigated Negative Declaration will occur during the Board of Directors meeting of the Orosi Public Utility District, scheduled to commence at 6:30 p.m. on Tuesday, April 14, 2026, at its office located at the noted address.
